

BIRD DROPPINGS

April, 2009

Hello to all our members at Lady Bird:

✍ COURSE CONDITIONS

What a difference a little rain from Mother Nature makes!! Things turn green and make the Hill Country beautiful and also our golf course. The course is really looking nice and I have had several players come in and comment on what great shape it is in and the greens are rolling very nice.

The mounding on #8 really has turned out nicely. The grass being sod has really made a great appearance and improvement to that area. The cart path will be finished soon. We are waiting on the street department to complete that project.

The aerifying of the greens will be done April 20th & 21. We will be back in business on April 22nd.

✍ UPCOMING EVENTS

1st Place

Bill Dyer

2nd Place Tie

Harold Tatsch
Doug Pope
Harris Greenwood

5th Place Tie

Tom Ruelle
Richard Welch
Wade Boone
Jackie Dukes

✍ **BIRD'S EYE VIEW**

March 15th

John Hoggard had a hole-in-one on #4. He used an 8 iron and a Precept ball. He played with Sam Higgins and after 5 holes Sam had John down 8 strokes!!!! I don't think the hole-in-one help John win the bet! But great shot anyway, John!!!

✍ **FROM SHELLY'S NEST**

Our Winter Texans are heading home for the summer. We had great weather for them this winter. It was mild and they were able to play a lot of golf. We really have a very special group of Winter Texans. They have been coming so long, that they are family now. We love to see them arrive and we hate to see them depart. We wish them all a great summer and fall and look forward to their return this winter. We hope you have a safe journey back home.

The tournament season is kicking off and we have some great ones coming up. On April 17th the First Baptist Church is having a big tournament, for information call Wayne Uttley at 830-990-0169. The Kinderneest fundraiser is scheduled for April 18th. They have been working on this tournament for over a year and hope to have a great turn-out. For information on the Kinderneest tournament you can call Chuck Blankenship at 830-997-2288.

On April 28th our super seniors are kicking off their Highway 16 Challenge Cup. This event includes Schreiner Golf Course, Flying L Golf Course and Lady Bird Johnson Golf Course. The three senior's groups from these courses will be competing in match play for the Cup. They have nine events scheduled from

April through November. The kick-off will be held here at Lady Bird on April 28th. The winner of this first event will take home the Cup and will keep it until the finale in November. At the finale the team with the most points accumulated during the nine events will take home the Cup. Our SSMGA had a match play event last week during their Thursday play to get prepared for the Challenge Cup. They had a blast! I know they are all as excited as I am about getting this kicked off. It will be great fun promoting the game of golf and fellowship for these three courses.

Spring has finally arrived and usually with that comes thunderstorms. We actually had some this past week and had to call everyone off the course due to lightening. I just want to remind you how dangerous lightening can be. When we blow the horn we expect you to get to the clubhouse as soon as possible. If you cannot hear the siren, but you can hear thunder and see lighting, you need to come in immediately. If you are too far from the clubhouse you cannot hear the siren, therefore use some common sense and head for cover. We want all of you to stay safe when we have our thunderstorms!

Have a Happy Easter!

Till next month,

Shelly
Head Professional
