

# BIRD DROPPINGS

## November, 2007

Hello to all our members at Lady Bird:

### *✍* COURSE CONDITION

The tee boxes and the greens over seeding have been completed. We want to thank all of you for being so patient during this process. The front nine is doing very well and the back nine will need more time to come around.

The bridge on #5 is completed!! I know all of you are happy to see that project done. The maintenance crew has started this week working on several of the water leaks on the course and should have them all repaired very soon.

#### **NEW MEMBERS AT LADY BIRD**

There were no new members to join this month, but we have had some returning Winter Texans come back to spend this winter with us.

✍ **FROM SHELLY'S NEST**

As you all know the time change is coming up this Saturday night. That means our pro shop hours will change. We will be open from 6:30AM until 6:00PM. Our tee sheet will open each morning for tee times at 7:00AM.

I know all of you are getting tired of me talking about our missing range baskets! But here we go again – **we are missing range baskets!!** If any of you have any in your vehicles, please bring them back. If you see anyone taking them home with them, you might mention to them to please leave them at the range. We would certainly appreciate any help from our members regarding our range baskets.

My staff and I try to keep the sand bottles full on all the carts so that when you make a divot you will repair it. We have noticed a lot of divots lately and would like to remind you to please put some sand on your divots. That will also be greatly appreciated!

I want to wish each and every one of you a Happy Thanksgiving. May you all be blessed with great food, family and friends surrounding you. I am looking forward to the coming holidays and sharing the spirit with all of you.

Till next month,
